NR LEEDS.

Dear Miss Mason,
Many thanks
for your kind note -
Doris is already much
interested in the "School"
& works better in
consequence -
We have adhered
faithfully to the
time-table - but
during the winter I
take Doris on
Saturday morning
to a dancing & drilling
class - so I think
then I shall transfer

the Saturday morning
 occupations to a
 portion of the
 dancing & play
 belonging to each day.
 I shall be glad to
 have the Rules -
 Also which French
 book should I
 use - I have not
 yet taught her any
 French - except a
 few words this
 week - I should

also like to know
 if there is any Grecian
 history suitable for
 tiny children -
 Is there any book I
 can get about the
 Ionic - Sol. Fa system -
 I shall be grateful
 for any suggestions
 as I have never
 done any teaching
 before -
 I find the "Review
 School" just what
 I want, & think
 it most providential
 it should just
 have begun, when

I began teaching
my little girl -
with many thanks

Believe me

Sincerely yours

Dear Miss Mason

I have asked W. Henry
Walker to send you direct
to Ambleside 25 proof
of the revised Certificate. It
has been printed smaller than
the original design and is I
think improved.

I want very much to know
whether you think there

would be any indiscretion in
 designing a culpeate with the
 Virgin and Child as a centre piece
 Since working at this one for
 Mr. De la Caine. which I fancy
 is far better than any shame
 done yet.

Rough it is this. The

Virgin and Child
 in the Centre, On
 the left teachers
 Guardian leading

little
 young children to him - The infant
 Christ reaches out and touches
 or kisses their shoulders and they
 fly into the open archway of Heaven or

the right.

If there would be no outcry
of "Papistical teaching" I
should like to do this for several
Years. Please don't mention it yet to
any one. Believe me to be

Yours very truly
B. Wilson
